YES-MAYBE-NO METHOD

Feel Good Decluttering

CHEATSHEET

DO YOU WANT TO KEEP IT?

YES

I love it!
I use it.
I'll cherish it.

FIND A PLACE

If you use it a lot - keep it easy to reach.
If sometimes - keep available
If once a year - store (take pictures and document)

MAINTAIN

Remember to take good care of these items.
Treat your home like a boutique not a bazaar.

Do again
YES - MAYBE - NO

MAYBE

I'm not sure.
I can't decide.
I need a moment.

KEEP IN SIGHT FOR A WHILE

Pile the "MAYBE" things and keep them in sight.
Look at them for a few days.
See if something can go to the "NO" category

BOXES

Put them in boxes by category.

STORE FOR 3-6 MONTHS

Mark the "deadline" in calendar and come back to these

NO

I don't like it.
I don't use it.
It's time to let go.

SELL

This takes time and effort, might not be the way to go

DONATE

Donate only things that are in a good condition

TRASH

If you can't sell it or donate it, then trash it - recycle if possible
