

I LOVE YOU JAR

I'm still wearing
the smile that you
gave me.

Stop making me
think about you.
I'm busy.

You make my
heart melt.

All of me
loves all of you

I love you more
than I did
yesterday. But not
more than I will
tomorrow.

It'll
always
be you

All I need is you
right here

Nobody's perfect
but you're so
close to it, it's
scary.

You wanna know
who I'm in love
with? Read the
first word again.

I still fall for you
everyday.

I still get those
stupid butterflies.

You are my
happy place

If nothing lasts
forever, can I be
your "nothing"?

You make my
heart melt.

I always wake up
smiling. I think it's
your fault.

You do a million
little things
that bring joy
to my life.
